

## **AAPCSW 2019 Conference – MSW/Master’s Student Scholarships**

AAPCSW invites MSW/Master’s students to apply for a scholarship to facilitate their attendance at our national conference, March 28-31, 2019 in Durham, North Carolina.

Scholarship includes:

1. Waiver of the conference fee
2. Opportunities to interact with other students and senior AAPCSW members at the conference
3. Free membership in AAPCSW for a period of two years
4. Assignment to an “AAPCSW mentor” who can serve as a resource around issues of professional development (Please note, AAPCSW mentors do not provide students with clinical/professional supervision.)

To apply for the scholarship, interested students should submit a one-page statement about why they would like to attend the conference and how attendance might enrich their lives in social work school and beyond. The statement should articulate a compelling argument about how the psychoanalytic perspective is relevant to their current and future identities as clinical social workers.

*Statements must be received by January 15, 2019. Statements should be submitted via email to:*

**Scott Graybow, PhD, LCSW, Chair, Student Outreach Ad-Hoc Committee**

**Intrigue•Insight•Inquiry**

Through Today’s Psychoanalytic Lens

In these multilayered and challenging professional times, how can we sustain excellence in clinical theory and practice? Our challenge is in safeguarding core values — individual dignity, respect for diversity, social justice advocacy — as we embrace innovations in psychoanalytic knowledge. Holding this complexity in mind, the conference aims to provide a space to explore the human condition in health and illness. We will view these ideas in relation to clinical experience, based on understanding the intersection of the inner and outer world. We will also continue to build our legacy for the next generation. Join us in our efforts at facing our challenges, and promoting depth and breadth in our insights about contemporary clinical practice.

~ Penny Rosen, Conference Chair
